Clerk—Margaret B Baker

School Committee — George P Stowell Jr.

The evening session consumed nearly three hours in action on the 15-article warrant. Appropriations followed the suggestions of the Budget Committee, with the exception of the school lunch question. It was decided to use the interest of the Minsterian and School Fund to overcome the lunch deficit.

Town Manager Rozelle and the Selectmen were called upon several times for explanations of various conditions, some of which were already well covered in the text of the town report. Addison Saunders, as chairman of the Budget Committee, told of his committee's reasons for recommendations when called upon, and most of the appropriations were granted with little or no discord.

The article relating to safekeeping of town records, which has been under consideration for several years, was given an appropriation of \$1500. It was given that a fireproof building, large enough to house the present old records and others to be added for some time, can be constructed for this sum. The location was not decided.

The gift of \$3500 from the trustees of Gould Academy to aid in the purchase of the new Mach Pumper, was announced by Manager Rozelle, and Headmaster Ireland of the Academy read the letter to that effect. After the town voted to accept the gift, Mr Ireland presented the check for this amount to Mr Rozelle.

A motion by John Greenleaf for appropriation of \$100 for support of Rumford hospital was defeated.

The Junior Choir of the Methodist Church met Thursday March 1 at the Church. We practiced songs that we will sing at the Easter Service. There was no business meeting. Mrs Faull served refreshments. We are joining the Maine Federation Music Club.

A field clam dinner, sponsored by Sunset Rebekah Lodge, will be held at the IOOF Hall the day, March 18. Dinner will be served from 12:30 to 3 p.m. The committee is as follows: Fern Goldwin, Blanche Berryman, Hilda Daniels, Blanche Bennett, Ruth Dorian, and Eleanor Bean. For tickets contact Norma Jodrey or Jane Kneeland or a member of the committee. Please get tickets in advance if possible.

The town ordinances as presented by the Selectmen were adopted with three amendments and an amendment Article 1 Section 12 relating to fixing pay of firemen Article 6 Section 6 prohibiting playing ball and throwing stones etc. in the streets and Article 4 Section 7 on roof coverings were rejected. Article 6 Section 1, on slate roofs, it was intended to make the town as safe as possible. This however will become effective when enacted by the State Court and opposed by a Justice of the Supreme Court.

It was voted to continue the Firemen's Relief and Indemnity Fund bank account as formerly.

Payments from this account are to be made on recommendation of the Fire Chief and Engineers and approval of the Selectmen.

Some of the map photographs of the town, to be used in the revitalization program, were displayed in the hall and drew much attention.
